

Part-Time Employment Opportunities!

UTILITIES OPERATORS CLASS III WATER

The Muskingum Watershed Conservancy District is looking for OEPA Class III Water License certified utilities operators for facilities at Atwood Lake.

These part-time positions are responsible for maintaining and operating various, MWCD-owned, water treatment systems to meet and/or exceed state and federal guidelines. Work schedules will vary throughout the year.

• **OEPA CLASS III WATER LICENSE REQUIRED** •
Experience working in a water treatment facility is required.

An employment application is available on our website at www.mwcd.org, select contact us and click on “employment application” to complete and print the form. Please specify “UTILITIES OPERATOR” on your application. Applications can be mailed, faxed, or emailed to:
