

2025 Association Docking Decal Information

All of us at MWCD hope that you and your association members are having a great Holiday Season! To help you prepare for the upcoming boating season, we have enclosed a few items pertaining to docking decals. Additionally, the option of utilizing a fillable PDF version of the roster will be available this year. If interested, please email me at astriker@mwcd.org and I will send it to you before the season begins.

POLICY

The MWCD Docking Policy states in part: *Existing private approved (recorded in county) residential developments adjacent to MWCD property, holding a current Docking Agreement, will continue to be eligible for docking privileges if administered by a Docking Association. Only those persons whose land within the development contains a habitable structure with an approved sewage system are eligible. Eligible residents may obtain docking at the discretion of the Board of Directors for watercraft owned by themselves or members of their immediate family. (Immediate family includes spouse, parents, stepparents, siblings, children, and stepchildren.)* Your cooperation in acquiring docking privileges in compliance with the Docking Policy will help maintain conformity with the requirements of your Docking Agreement.
